BIG SPORT EVENT

TEAM OF G. U. H. S. TO PLAY EL CAJON IN CHAMPIONSHIP ELIMINATION SATURDAY

Glendale has in prospect another big sporting event. It is booked for Saturday next at 2:30 o'clock, when the baseball team of Glendale High, which is well on the way to the Southern California championship, is to play another elimination game. But four teams are now left in the field. The match Saturday will be between our local team and the team of El Cajon, champions of a San Diego County league and it will be played on the Glendale field. While this is a privilege in one way, it means a considerable item of expense, not less than \$1500 to be paid by the student body to bring the visiting team to Glendale. However, a game as fine and as hotly contested as this promises to be should mean many spectators and therefore the sale of many tickets to reimburse the school. It is probable the baseball fans will be busy advertising the event from now on and that the majority of the business (Continued on Page 4)

PARENT-TEACHER CONVENTION

Mrs. A. A. Barton, president of the P.-T. A. Federation in this city, reports that the convention of the Mothers' Congress and Parent-Teacher Associations which is being held in Los Angeles this week is drawing large delegations of interested attendants from Glendale organizations. Yesterday was characterized by the usual opening program, reports of officers, and addresses of welcome and of appreciation of the work the organization is doing. Governor Stephens, Mayor Snyder of Los Angeles, the presidents of the Chamber of Commerce, Board of Public Utilities, and County Supervisors, County Superintendent Keppel and the president of the Los Angeles Board of Education all made welcoming addresses. Tuesday evening a brilliant reception at the Alexandria was given by the Los Angeles Parent-Teacher Federation to visiting delegates.

The committee on nominations reported yesterday and today the election will take place.

Mrs. Barton reports that large delegations representing Sacramento, Oakland, Berkeley, San Jose and other cities of the north are registering for the ride to Glendale next Thursday when delegates are to be entertained here by the local Federation. All these visitors have heard of Glendale and are most anxious to see it, and Mrs. Barton expresses the conviction it will prove a great advertisement of our little city.

NEW COMERS FROM OKLAHOMA

Mr. and Mrs. L. A. Hart of 729 Raleigh street have recently welcomed to Southern California Mr. and Mrs. C. R. Bird, of Okmulgee, Oklahoma. Mrs. Bird spent last summer here, occupying the house of A. Ambrosini on South Jackson street. She returned to Oklahoma last fall. Since that time the health of her husband, who has been connected with one of the big oil refineries of Okmulgee as superintendent, has become affected and both decided a change of climate would be advisable. Accordingly they have severed their connections in Oklahoma and are here. The Harts are very hopeful that they will locate in Glendale. Mrs. Hart and Mrs. Bird are sisters. The Birds at present are with relatives, Mr. and Mrs. Frank R. Putnam, in Las Palmas Drive, Hollywood, while they are looking around and deciding where they will settle.

BANK OF GLENDALE

ELECTS OFFICERS AND DIRECTORS AT ANNUAL STOCKHOLDERS' MEETING

At the recent annual meeting of the stockholders of the Bank of Glendale the following officers and directors were elected:

F. H. Vesper, President.
C. M. Walton, Vice-President.
D. H. Smith, Vice-President.
Herman Nelson, Cashier.
Verne Nyman, Assistant Cashier.
Dana Burket, Assistant Cashier.
A. W. Beach, Thomas F. Cooke, Herman Nelson, D. H. Smith, F. H. Vesper, C. M. Walton and W. E. Hewitt, Directors.

Cooke, Burket and Nyman all took a hand in the great war, but all are back as good as new and on the old job.

FROM UTICA, NEW YORK

ARTHUR YALE, IN BUSINESS AT BURBANK, BUYS BEAUTIFUL GLENDALE HOME

Arthur Yale, wife and two little sons have taken possession of the beautiful residence property at 205 West Doran, which they recently bought of Nathan Rigdon. The house, which has just been completed, is full two stories, built of hollow tile, cement surfaced, and has nine rooms. The Yales are "just a campin'" in it as their furniture is still in Utica, N. Y., though it was ordered shipped from there in April. A recent telegram to that city asking about when arrival here could be expected brought back the reply that the furniture had not been started yet. When told that the railroads were giving preference to shipments of food, clothing and other vital necessities Mrs. Yale said: "That is right; we can wait if we must while the necessities are being shipped."

Mr. Yale is engaged in the auto accessories business with a brother in Burbank. He and his family have been in Glendale since January, renting property on Arden avenue while they looked around for property to buy. Mrs. Yale said what induced them to locate in this city was the beautiful surroundings and healthful location as well as the clean appearance of everything. She considers it far ahead of any other place she has seen in these respects as well as in fine paved streets and beautiful shaded parkways.

Mrs. Yale's father was for many years proprietor and publisher of the Utica, N. Y., Globe, and died in the harness. It was a weekly paper and exerted a wide influence in that part of the Empire State. She says that this paper was among the very first to put in a color press for printing the weekly paper on.

LITERARY SECTION

MRS. FREEMAN KELLEY MAKES INTERESTING TALK ON AUSTRALIA

The regular meeting of the Literary Section of the Tuesday Afternoon Club was held Tuesday at the home of the curator, Mrs. Charles Hutchinson, on North Orange street. The program included a review by Mrs. Dunn of "The Crescent Moon," a story of the war in South Africa and of German intrigue. Mrs. Danford, City Librarian, reviewed some of the new books and made a report concerning the Library Convention at Riverside. Another interesting contribution was made by Mrs. Freeman Kelley, whose theme was "Australia." To bring out the differences between the people of that island country and America she compared many things, for instance, the daily papers. There the lurid accounts of divorces, criminal trials and the like are excluded, she said, and the space given to articles on topics of general interest and value. She dwelt on the cordial reception given the American Fleet by Australia and of the friendly, cordial feeling for Americans that exists in the colony and the general desire to know more of the United States.

The balance of the afternoon was spent in making plans for the luncheon, with which the Section will mark the close of its year and which will be given at the home of Mrs. Hayward.

AUTO ACCIDENT ON SAN FERNANDO ROAD

There was quite a serious auto accident on the San Fernando Road near Eulalia yesterday at about 11. G. A. Robinson of Mira Loma was coming out of Eulalia from the southwest, to turn north on San Fernando Road and ran into the machine of C. Boler of San Fernando, who had with him Miss Fern Taylor of that city and Miss L. Hodge, of San Diego. They were traveling toward Los Angeles. Their machine was turned bottom side up and the driver was pinned beneath it, but luckily not much hurt. The young ladies were considerably cut and bruised and one of them suffered a badly sprained wrist. All three of the injured ones were taken into Dr. Duncan's house, near by, and were able to return to San Diego last evening. Mr. Boler's car was a total wreck, but the other one was little damaged.

WEATHER FORECAST: Fair tonight and Thursday. Cloudy or foggy in the morning.

CONGRESSIONAL RECESS

SET FOR JUNE 4 AND MAY BE ADJOURNED SINE DIE, NOT TO RETURN UNTIL DECEMBER

(Special Service to Glendale Evening News)
WASHINGTON, May 19.—The Senate Steering Committee was severely criticized on the floor today by Republicans for eliminating anti-high-cost-of-living bills from its list of measures to be voted on before the June recess. June 4 has been decided upon as the date for the Congressional recess or adjournment. Although as yet undecided there is a strong sentiment for sine die adjournment which would mean that Congress would not come back until December.

PRICE REDUCTIONS BEGIN

CORN DECLINES 9 CENTS ON CHICAGO BOARD OF TRADE; MERCHANTS SLASH CLOTHING PRICES

(Special Service to Glendale Evening News)
CHICAGO, May 19.—May corn fell 9c on the Chicago Board of Trade today. Continued reports of declines in commodities, with increased receipts, favorable weather and a large number of cars available, were said by traders to be responsible for the decline.

NEW YORK, May 19.—A general reduction in prices, particularly clothing, was reported throughout the country today. Merchants in many large cities have cut their prices from 20 to 50 per cent. Newspapers in New York are filled with advertisements of "sales." One Chicago department store joined the price cutting movement by offering men's suits formerly selling for \$45 to \$60 for \$20 to \$35. Experts see the possibility of a break in food prices on account of the general market decline. The reasons given for reductions were: "The slow spring season with the public doing little buying leaving the merchants with stacked-up shelves, and the tight condition of the money market." The banks were reported to be calling in loans forcing merchants who had borrowed money to purchase goods to unload in order to meet their notes.

NEW MEXICAN GOVERNMENT

RECOGNITION BY UNITED STATES MIGHT DEPEND ON EXTRADITION OF FRANCISCO VILLA

(Special Service to Glendale Evening News)
WASHINGTON, May 19.—The appointment of Francisco Villa as chief of the Mexican constabulary might cause President Wilson to withhold his recognition of the new government, it was learned today. Villa is held responsible for the murders committed during the bandit raids at Columbus, New Mexico, in 1916. His coming trip to Mexico City, reported to the State Department, was regarded as significant by officials here. Rebel agents believe Villa will have an important conference with officials of the provisional government. It was suggested that should the new Mexican government be recognized, the United States might demand the extradition of Villa for the Columbus raids.

VILLA STILL A BANDIT

CAPTURES AND HOLDS FOR \$50,000 RANSOM MANAGER OF THE ALVARADO MINES

(Special Service to Glendale Evening News)
EL PASO, May 19.—Francisco Villa belied reports of having retired from banditry by capturing the manager of the Alvarado Mines in Carrol, holding him for \$50,000 ransom, according to information received by General Calles, Minister of War in the rebel constitutional government at Juarez. General Calles expected to leave today for Chihuahua City where he will interview Villa. "The only possible arrangement for Villa is for him to quit his activities and retire to private life," Calles said. "For the new government of Mexico to accept him as a factor or member of its army, is an utter impossibility," Calles declared.

EXPULSION OF CARRANZA

SAID TO HAVE BEEN CAPTURED AND GIVEN PASSPORTS TO LEAVE THE COUNTRY BY OBREGON

(Special Service to Glendale Evening News)
HOUSTON, Tex., May 19.—President Carranza has been captured by revolutionists, according to unconfirmed advices reaching here today. The report was received by wireless by the "Oil Weekly," published here. It said the capture was effected early today, that General Obregon had forwarded passports to Carranza and ordered him to immediately leave the country. The advice was said to have come from an unusually reliable source. The radiogram came from Tampico and did not give details of the capture. It did not say at what port Carranza was ordered to embark.

RUSSIA'S NEW MILITARY HEAD

(Special Service to Glendale Evening News)
LONDON, May 19.—General Alexis Brusiloff, Russian military leader has assumed virtually supreme control of Russia as far as military affairs are concerned, a correspondent of the Daily Telegraph says he has been informed.

RETURNS FROM NORTH

MRS. DANIEL CAMPBELL AT HOME AFTER THREE WEEKS IN SACRAMENTO

Mrs. Daniel Campbell of North Glendale returned Sunday from a three weeks' visit in the north during which she was the guest of her friend Mrs. Elizabeth Marshall of Sacramento. While there she had the opportunity to tour by automobile portions of the state she had never visited before such as Rio Vista, Marysville and Auburn, the last named being more of a foothill city than are the others. She also had the pleasure of representing the Tuesday Afternoon Club at the Convention of the State Federation of Women's Clubs held in Sacramento last week. The sessions for the most part took place in the executive chamber of the Capitol, a delightful place for such a meeting as it is quiet and in the midst of very beautiful grounds. As there were no officers to be elected this year the meeting was not as exciting as it might have been had there been the division of sentiment that usually attends elections. Some very important questions were brought up for discussion which will be mentioned in the report Mrs. Campbell will give before the Tuesday Club.

One of the pleasures of the trip was the opportunity she had to renew acquaintances with old friends in club life and in the work of the Eastern Star. While she had a very nice time, she is glad to be in Glendale again and says it looks very much like "Home, Sweet Home."

NEW INDUSTRY PROPOSED FOR SOUTH GLENDALE

F. Gregory Beylik of 430 West Cypress avenue is desirous of locating at 1513 South San Fernando Road in the business room next to the furniture factory an analytical laboratory for commercial work and a manufactory for extracting oil, juice and by-products from lemons and oranges. It will be all inside work and only fresh fruit will be used. This location is not within the industrial district as mapped and adopted, but there is a strong sentiment in that section of the city favoring the extension of its limits to include the west side of San Fernando Road from Eulalia or at least Central avenue north for two or three blocks. The application of Mr. Beylik is to come up at the trustees' meeting tomorrow night.

CABIN IN VERDUGO CANYON ROBBED

W. H. Kindig, who has a cabin in Verdugo Canyon, reported to the police yesterday that during his absence for two days the cabin was entered, apparently by unlocking the door with a pass key, as there were no signs of breaking in, and nearly every bit of furniture taken. The stolen articles noted in the complaint were two fine rugs, a Navajo blanket, center table with drawers and shelves, costly rocking chair, sheepskin cover for table, oil heater, heavy tapestry couch cover and a plain couch cover.

PRESBYTERIAN C. E.'S

The Young People's Society of Christian Endeavor of the Glendale Presbyterian Church held its regular business meeting at the home of Miss Grant, 1415 East California avenue, on Tuesday evening. The meeting was well attended and many plans are being made for the work of the Society during the next few months. After the usual business had been disposed of delicious refreshments were served and a social time enjoyed.

LUNCHEON AND MUSICAL AFTERNOON

Mrs. Colin Cable of South Columbus avenue entertained Tuesday with a charming three-course luncheon in honor of her cousin, Mrs. Ramage of Oakland, who is spending a few weeks in Southern California. The prettily appointed table was centered with Sunburst roses and Shasta daisies. Covers were laid for Mrs. Helen Bennett and Miss Gertrude Bennett of Wilshire Boulevard, Los Angeles, Mrs. Le Roy Bosserman, Mrs. Charles Bosserman, Mrs. L. V. Ashton, Mrs. J. H. Emerson of Los Angeles, and the hostess. A social afternoon followed the luncheon in which greatly enjoyed piano solos were given by Mrs. Bosserman and by the guest of honor who is prominent in musical circles in Oakland.

HIGH SCHOOL TAXES

MOVEMENT TO ENLARGE DISTRICTS TO INCLUDE RICH SECTIONS NOW OUTSIDE

School authorities here are watching with interest the progress of the movement backed by the School Survey Committee of Los Angeles county to bring under taxation for high school purposes all parts of Los Angeles county. Investigations by this committee, which is made up of representatives from all parts of the county interested in the welfare of our school system, have brought to light the fact that a number of very wealthy residential sections of the county are outside of any high school district and pay no school tax for elementary schools. In this class is the Oak Knoll section of Pasadena, and the Beverly Hills district near Hollywood. Property values are so high, particularly in the Beverly Hills district, that the tax collected for elementary schools is far in excess of the need and all sorts of luxuries are provided in order to use the surplus funds. Were these wealthy residents of the county required to pay high school taxes the money would go to the county treasury and would there be distributed according to school attendance. It should be at once apparent how great would be the advantage to communities like Glendale where the attendance is constantly mounting because of the growth of population. While it would not be discreet to make any estimate of Glendale's probable gain in county allotment, it is safe to declare it would mean a very substantial increase in the income the district would receive from the county. Such an increase would enable the district to reduce its local tax for maintenance and substitute for the reduction a tax for building purposes under which funds could be accumulated which would obviate the necessity of a bond issue every time improvements are needed. Strong pressure is being brought to bear on the supervisors to have these outside districts brought into the fold and be made to pay high school taxes. The children there go to high school and it is but fair the real estate should pay its proportion of high school taxes.

BOOSTER BRINGS NEW RESIDENTS

Mrs. Charles L. Johnson and her two daughters, Misses Alice and Mildred Johnson, of Duluth, Minn., reached Glendale Monday evening and at noon on Tuesday they thought they had located a furnished house on North Orange, which met their ideals of what a home should be, such an one as they would be content to occupy for a year. They said they had never been in Glendale until they first saw it Monday and that they had no friends here to draw them to it. They met, however, en route to Los Angeles from Minnesota, H. L. Dillon, who is a resident of this city, and who told them he had investigated all the suburbs of Los Angeles before locating here a year ago, and Glendale was ahead of them all. This shows what the work of a booster may do for his home town. They were prepared to accept his verdict at its face value after seeing the town and believe they are going to be very happy here.

SIR KNIGHTS INSTALL

NEW OFFICERS OF GLENDALE COMMANDRY INDUCTED WITH DUE CEREMONY

A large attendance of members and their families and a number of delegations of knights from Long Beach, Pasadena, Alhambra and Hollywood, witnessed the installation of officers of the Glendale Commandry, Knights Templar, Monday evening. The ceremonies were conducted by Right Eminent Sir Robert Wankowski, Grand Commander of the State of California, assisted by Eminent Sir Thomas, Grand Prelate, and Eminent Sir Andrew J. Copp, Jr., Grand Warder of the State of California who served as Grand Marshal of ceremonies. Other visiting Sir Knights also took part.

A musical program was provided by Miss Helen Hagan and Dr. Joseph Marple and there were readings by Mrs. Calvin Whiting.

Fine addresses were made by Grand Commander Wankowski and by Grand Prelate Judge Thomas in regard to the order and the good which can be accomplished by it if (Continued on Page 4)

LILY OF THE NILE

Dick Roberts of 406 West Maple left at the Evening News office today a black lily, sometimes called Lily of the Nile, from its supposed origin. It is claimed that with the annual spring overflow of this great river the bulbs from the preceding year make a rapid growth, bloom and then die down when the hot days of late summer dry up all the moisture. In this country the blooming time is the middle of May. The flower is from 12 to 20 inches long and of varying shades of green on the outside. Inside it is a deep purple, shading to green at the bottom of the cup. The stamens are also of a purple color but the pistil, which attains a length of a foot or more is black, giving the name to the lily. The leaves are three-branched and these branches divide

also, many times. It is said they were used in the Nile country to make poultices to put on bruised flesh. The cups of these lilies give out a strong disagreeable odor which attracts many insects, which cover themselves with the pollen and carry it to the buds on other stems, causing them to bloom. This odor entirely disappears when the lily is cut from the stem. Mr. Roberts says these lilies are not very plentiful in any place he has been and they require careful cultivation. He is exceedingly proud of his small collection of these rare flowers. A long description of this lily, its origin and culture was given in the Youth's Companion a few years ago, which greatly stimulated its production in this country.

Personals

Mrs. T. L. Brown and Mrs. Chas. Wessen of North Louise were Los Angeles visitors today.

Chas. B. Guthrie is having built a small real estate office at 1326 South Brand, to cost about \$500.

Chas. A. Martin is building an addition to his residence at 210 East Garfield avenue, to cost about \$500.

H. Nelson is having erected at 466 Riverdale Drive a garage for a temporary residence, at a cost of \$475.

William J. and Joseph H. Strong of North Maryland avenue are in Burbank today looking after some business matters.

P. F. Rentfrow's barber shop was broken into Sunday afternoon and two large bundles of laundry and some cigars stolen.

W. H. Lindemood has taken out a permit for the erection of a four-room California house at 126 North Isabel, to cost \$1000.

Charles B. Beiler is putting up a garage for use as a temporary residence at 215 North Kenilworth avenue.

Kenneth Kester of 511 East Wilson avenue has reported to the police that his Emblem bicycle, a red racer, was stolen from the rack at the Intermediate School.

W. S. May has taken the contract to build a five-room house and a garage at 541 North Maryland avenue for Mrs. H. M. Bennett. The contract price is \$4188.

C. E. Russell and wife of 332 N. Kenwood street are leaving Friday morning for Richmond, California, to spend some time with their daughter, Mrs. A. S. Russell.

Guy Richards, Jr., who has been putting in the cement foundation for a garage to be used as a temporary residence on his father's lot at 118 West Acacia, had a valuable wrist watch stolen yesterday. He had left it in his car, out in front.

Fire Chief Lankford and two of the boys made a quick run to Montrose yesterday about noon in response to a message that an extensive grass fire imperiled the business block of the place. They assisted the residents in putting out the fire.

John Lawyer's machine was standing in front of his home near Brand boulevard and Laurel, Sunday morning, when it was driven into by R. A. Tulp, of Eagle Rock, damaging it slightly. Mr. Tulp's machine, however, was considerably smashed up.

Gordon L. Smith, the grocer at 527 South Brand, is to build an 8-room residence at 117 West Chestnut, just back of the store. David S. Hansen, Mr. Smith's son-in-law, is named as contractor in the permit, which calls for an expenditure of \$3,000.

J. M. Fife and family of 314 N. Orange street are moving today into the home they have recently purchased at 517 North Jackson street. Their many friends on Orange street are happy to know that they are not leaving Glendale and wish them much happiness in their North Jackson street home.

Mrs. D. W. Brant of 217 North Kenwood street and Mrs. F. M. Arnold of East Lomita had the pleasure of entertaining their brother, Perry J. Rogers, who came up from El Centro, Imperial Valley, last week and returned Tuesday. He is the manager of the Phonograph Department of the Imperial Hardware Co. of El Centro.

Mr. and Mrs. E. G. Ball of 123 South Everett street have returned from a week-end trip to San Diego where they visited their son. They were accompanied by Mr. and Mrs. Meyer of York, Nebraska, who are their house guests and who were greatly interested in the things they saw along the way, this being their first visit to Southern California.

Members of the Nature Study Club are to go to Point Firmin Saturday to study marine life there. Mr. Ross, director of nature study and agriculture in the city schools is the president of this club which includes in its membership teachers and citizens outside the schools who are interested in native flora, fauna, and natural conditions in this state.

C. W. Hughes has sold his grocery store in Q. L. Kilborn's building, 501 Vine street, to S. W. Fenton, of 606 Vine street. Mr. Fenton recently returned from Cleveland, Okla., the old home, where he went to dispose of his property. Mr. Hughes and wife expect to soon start for a long visit to points in Maine and other east coast cities.

Emil and Frank Kiefer and Ralph Dodsforth drove down to Silver Lake this morning to catch and bring home a load of fish. They found the lake fairly teeming with carp, which seemed to have eaten the other varieties of fish, as is their custom, and were so gorged they did not notice a hook. The boys said if they had had spears they could have secured plenty of fish but as it was one lonely victim was the reward for the trip.

PYRAMID SHOWER

MESDAMES STEPHENSON AND LOGAN ENTERTAIN IN HONOR OF MISS DOROTHY HOBBS

Miss Dorothy Hobbs was guest of honor Saturday afternoon at one of the most important and charming prenuptial functions by which she has thus far been complimented. Mrs. Andrew Stephenson, Mrs. Dwight Stephenson, Mrs. John A. Logan and Miss Logan were hostesses, the party taking place at the Stephenson home on South Central avenue. It was quite informal and at the psychological moment Miss Hobbs was instructed to go to the dining room where a tall screen had been placed in front of a window seat. The removal of the screen disclosed a pedestal of white boxes surmounted by a basket and on the cover of the basket was staged a wedding scene with a marionette bride, groom and flower girl. Appropriate decorations of greenery and orange blossoms embellished the pyramid and Miss Hobbs was instructed to examine the packages at its base, which she did, revealing to the interested guests many useful and pretty things. She was then told to investigate the basket which was found full of packages and then the boxes in turn. It was a wonderful collection of beautiful and desirable presents which kept the company busy looking them over. It included cut glass, silver, linen, kitchen utensils and a bit of everything likely to be of service in the furnishing of a home.

After this pleasant task had been completed guests were invited to another dining room where dainty refreshments were served in a room which, like the living room, had been decorated with fine roses from the Stephenson and Logan gardens. About forty guests were present and Miss Hobbs made them a little speech of appreciation of their loving attentions which was received with enthusiasm.

ROSE DINNER PARTY

Mrs. Elizabeth L. Levinge of 142 Wabasso Way entertained for her son, Jack Levinge, Saturday evening with a beautifully appointed dinner served at six o'clock. She was assisted by Mrs. Blake Franklin and the guest list was limited to five school friends of the young host. The table was centered with Cecil Brunner roses and sweet peas and for the decoration of the living room the large rose garden of the hostess had been robbed of its choicest blooms. Following the dinner the young people amused themselves with music, dancing and games. Guests were: Mida Butler, Iris Nofziger, Gladys Martin, Robert Holland, Donald Franklin and of course Jack Levinge.

SHAKESPEARE SECTION

Members of the Shakespeare Section of the Tuesday Afternoon Club met Monday with Mrs. Gillam of 203 West Maple avenue. The play, "King Lear," which the Section has been studying, was completed and a brief business session was held in which after some discussion a decision was reached to abandon the project to give a garden party for the benefit of the Club House Fund. Plans were considered for a final meeting to take the form of a picnic luncheon and the Section accepted the invitation of Mrs. Collin Cable to have it on her home grounds June 3d. The hostess of the day served delicious refreshments with which the pleasant and profitable studies of the year closed. After the picnic the Section will adjourn for the summer.

PLENTY OF ICE

Los Angeles, May 12, 1920.
Mr. J. W. Jones,
Independent Ice Delivery,
Glendale, California.

Dear Sir: It is a great surprise to me to learn someone has tried to start a rumor in your territory to the effect that we have limited you to a specified amount of ice and that if your business exceeds a certain amount we will not furnish it and have so notified you. This you know is not true. We will back you to a finish.

We manufacture in Southern California alone 550 tons per day. In addition to this we have many thousands tons in storage. Whenever we contract with anyone, as we have done with you, it is to our interest to see that you are furnished with all the ice you require regardless of what it may cost us to get it to you. You may be interested to know that in the past we had occasion to supply ice to fulfill contracts after our Los Angeles factory burned down and it was necessary for us to ship ice from our practically inexhaustible supply in the mountains. This we did at a freight cost several times the amount of the price we received for the ice.

You have made a good showing since we made our contract with you and we sincerely trust your business will continue to grow throughout the three-year term of our contract.

I cannot see how such a rumor could possibly affect your business, but nevertheless I am writing you and you may use this letter in any way you see fit to combat such a rumor which is so manifestly untrue that the loss said the better. You may object to the offensive methods of a polecat; nevertheless my advice is—leave him alone.

Yours very truly,
D. H. FRY,
Supt. The Union Ice Co.,
Los Angeles, Cal.

SORORITY PARTY

MISS MARGARET DICK HOSTESS AT PLEASANT GATHERING

Miss Margaret Dick gave a party Monday evening at her home, 130 N. Orange, to her sorority sisters of Beta Phi in U. S. C., which she attends. About 25 were present. The house was decorated in blue and gold, the sorority colors—yellow flowers in blue vases. The refreshments followed the same color scheme, consisting of orange ice cream and cake with blue icing, also salted almonds. A business meeting of the sorority was held and then the remainder of the evening was devoted to conversation and the singing of college songs.

Miss Margaret is now in her fifth and last year of attendance at U. S. C. She will graduate in June and be given a state certificate entitling her to a position as musical superintendent in High Schools. She was the only member of last night's gathering who lives in Glendale, the others hailing from all over the Southland.

MRS. C. H. CARPENTER RELEASED

Monday was one of Judge Lowe's very busy days, for, besides 25 violators of the traffic laws to fine or admonish, he had the preliminary examination of Mrs. C. H. Carpenter, 1711 Gardena avenue, to hold. Mrs. Carpenter was accused of burglary in removing from the house of a neighbor, Frank Baker, some household goods. The charge was utterly disproved, in the opinion of the judge, so Mrs. Carpenter was discharged. Mr. and Mrs. Baker had disagreed in some matters and during his wife's absence he removed from the house some furniture, dishes, etc., he claimed had belonged to his mother, therefore was not community property, and stored it in the Carpenter home. This gave rise to the accusation against Mrs. Carpenter of having removed the property. Judge Lowe advised the latter to remove the disputed property from her premises. This was done yesterday.

P. S. Harwood, father of E. E. Harwood, who recently arrived from the East, spent the week-end in Santa Ana, as the guest of Mr. and Mrs. Hoskins, parents of Mrs. E. E. Harwood. Today the newcomer goes to the Antelope Valley to look around. He is considering the purchase of

CHANDLER SIX Famous For Its Marvelous Motor

Why the Chandler Holds Its Leadership

THE Chandler car has attained and held its place of leadership among all sixes, by steadfast pursuance of worthy policies.

There is but one Chandler car, one Chandler chassis. To that chassis, for seven years, have been devoted the ambitions and the engineering ability and the sincere purposes of its builders.

Featuring this sturdy chassis is the famous Chandler motor, brought to a plane approximating perfection through these years of refinement and development.

Nearly eighty thousand Chandler owners know the excellence of this motor. They know its power, and the flexibility of its power. They know its endurance. They know its economy. They know it affords all the speed that any responsible driver would ever wish or dare to use. They know that on mountain roads it leads the way up.

On this one chassis are mounted six handsome and comfortable types of body, built by America's best body-builders and splendidly finished and cushioned.

You Will Be Delighted With a Chandler

Equip Your Smaller Car With Goodyear Tires

If you own a Ford, Chevrolet, Dort, Maxwell
or any other car using 30x3-, 30x3½-, or
31x4-inch tires, you can well take advantage
of the high relative value built into all Good-
year Tires.

You can well do so because you can secure
in the smaller Goodyear Tires the results of
such skill and care as have made Goodyear
Tires the preferred equipment on the high-
est priced automobiles of the day.

You can well do so because these smaller
Goodyear Tires are easy to obtain, being
produced at the rate of approximately 20,000
a day, and because their first cost usually is
as low or lower than that of other tires in
the same types and sizes.

Go to the nearest Goodyear Service Station
Dealer for these tires, and for Goodyear
Heavy Tourist Tubes. He supplies many
other local owners of the smaller cars.

30x3½ Goodyear Double-Cure \$23.50
Fabric, All-Weather Tread

30x3½ Goodyear Single-Cure \$21.50
Fabric, Anti-Skid Tread

Goodyear Heavy Tourist Tubes are thick, strong tubes that
reinforce casings properly. Why risk a good casing with a
cheap tube? Goodyear Heavy Tourist Tubes cost little more
than tubes of less merit. 30x3½ size in waterproof bag \$4.50

BIG SPORT EVENT

(Continued from Page 1)

ness men of the town will close up
shop and come out to be entertained
and to root for the home boys.

The winner Saturday will be
matched a week later with the win-
ner of another elimination game to
be played between Norwalk and San
Diego High School teams. Should
Glendale win it will probably have
to go either to Norwalk or to San
Diego for the final battle which is
to determine the championship of
Southern California. Glendale fans
are optimistic and think their home
favorites have a good fighting
chance. Should their hopes be real-
ized and the banner of Southern Cal-
ifornia come to Glendale they say it
must not end there. Our team must
play the winner of the Northern Cal-
ifornia championship. That is a
long look ahead, however. The im-
mediate concern is the game Satur-
day which no lover of good sport
should miss and for which the pros-
pects of success are good.

ALL-DAY MEETING

A fine all-day meeting of the wo-
men's societies of the Glendale Pres-
byterian Church was held Tuesday.
The forenoon was devoted to work
and several comforters were tied. At
noon the hospitality committee of
which Mrs. Huskins was chairman,
served a delicious lunch at which
covers were laid for about fifty-five.
The afternoon program included an
eloquent talk by Mrs. Johnson, wife
of a retired colored preacher, a wo-
man of culture and talent who dis-
cussed the outlook for the negro in
Africa and in America. The Latin-
American situation in the United
States was presented by Mrs. L. M.
Richardson. She dwelt on the
great work to be done, but expressed
a hopeful view of the outlook.

Bring Your Present Suit Here

to be dry cleaned and save the expense of
a new one. If you doubt our ability to save
you that much why not put us to the test?
You cannot lose for we certainly can put
the suit in wearable shape, which at pres-
ent it is not.
